PARENT-TEACHERS ASSOCIATION

The Alpha Public School, Mungeli Parent-Teacher Association (PTA) - has been formed for the purpose of integrating the harmonious development of our students both at home and at school. The role of the PTA is to promote mutual co-operation and understanding between Parent and teachers of the School. The PTA confines its activities to the objects of the Association which are expected to be in consonance with those of the Alpha Public School, Mungeli. Parent participates in specific activities of the PTA on a voluntary basis.

The Parent-Teacher Association (PTA) gives Parent and students an opportunity to interact, provide feedback and exchange ideas with School management. The School encourages Parent to be involved in the social and emotional development of their child. The focus lies in developing Parent as critical partners, who actively contribute to the effective functioning of the School.

- To bridge the gap between Parent and School for the purpose of betterment of our pupils we have a parent-teacher body.
